Dear Ms Granger,

On behalf of the Western Sky Land Trust Board of Directors, I would like to thank CLRA Alberta Chapter for the generous donation to our organization. Your ongoing support is greatly appreciated.

We are moving forward and creating additional conservation opportunities on the Bow River, through the activities of the Bow and Beyond Initiative. The positive response from the land owners has been very encouraging and we are confident that our work along the lower stretch of the Bow holds great promise for future watershed land conservation.

Financial contributions are important to support the work that *Conserves our Sense of Place*. Again, many thanks for your support.

Sincerely,

Tracy Tarves  
Executive Director

*Andrea  
many thanks again  
for this donation.  
I look forward to  
hearings where  
CLRA-AB chapter  
would like it  
directed to  
Andrea*
